Muxical Former Secretary of the in pub Treasury and Ex-Goverould insuite the control of the co

a is now being widely published and a sful examination of it by any physician or emacist should souvince him that it is of

Then there is former Health Commissioner Wm. R. Kerr, of Chicago, who is past the three-score year mark, but still vigorous, active, full of life, vim and energy. Former Health Commissioner Kerr says he believes his own personal activity today is largely due to his use of Nuxated Iron and that he believes it ought to be prescribed by every physician and used in every hosytala in the country.

Former Secretary of the Treasury Leelie M. Shaw says: "I have been taking Nuxated Iron for some little time and feel justified in recommending it as a very valuable tonic."

Iron is absolutely necessary to enable your look and the second to the secon

mending it as a very valuable tonic."

Iron is absolutely necessary to enable your blood to change food into living tissue. Without the no matter how much or what you est, your food merely passes through you without doing you any good. You don't get the strength out of it, and as a consequence you become weak, pale and sickly fooking, just like a plant trying to grow in soil deficient in iron. If you are not strong or well you owe it to yourself to make the following test: See how long you can work or how far you can walk without becoming tired. Next take two five-grain tablets of ordinary Nuxated Iron three times per day after meals for two weeks. Then test your strength again and see how much you have gained. Numbers of nerrous, run-down people who were siling all the while, have increased their strength and endurance in two weeks time while taking iron preme Representative Edwin A. Niess,

purchased by Grand Monarch Schmid. The grand monarch has been offered a fabulous sum for this curious animal, but has declined all offers, because he wants him for the Grotto. This is what Mr. Jacobs writes your scribes in response to a request for the goat's history:

"I got this goat from the Yaqut Indians in Mexico. I was down there to buy some ponies from these Indians, when I discovered this goat. I tried to buy him, but was told he was not for sale at any price. I of our members have sacrificed their preme Council at its recant session.

I getting of every human being, which lay at the foundation of our homes, and the well-being and safety of our families. No good Odd Fellow can shirk his duty to go to the assistance of his country. He is my prother and friend who relieves my necessities. Membership in a lodge amounts to nothing if he does not live up to and practice the teachings of the order. The Government has called upon us for aid and we must respond. Thousands and we must respond. Thousands a function of our homes, and the foundation of our homes, and the well-being and safety of the geder, Grand Warden A. B. Keefer, Tageler, Grand Swaine, Past Regent J. Tageler, Grand Swaine, Past Regent J rights of every human being, which lay at the foundation of our homes, homes and business, and will sacrifice their lives. It is the sworn duty of each of us who can not do this, to follow those who have gone to the trenches, to follow them with our money, whether we can afford it.

means through the war savings stamps guaranteed loan, whereby each one of us can, if we will, invest at least \$4.17 and get \$5.00 in return, or \$93.40 and get \$100, \$208.50 and get \$250, \$417 and get the government of the savings o
